Scientific Advisory Board

Our Scientific Advisory Board is composed of eight eminent scientists in the centre's major research areas. In 2016, the board members -together with two *ad hoc* external advisors- conducted a global evaluation of the centre's scientific performance in the 2010-2015 period.

BOARD MEMBERS

Facundo Batista

Professor of Immunology at the Francis Crick Institute, London, UK

Wolfgang Baumeister

Director of the Molecular Structural Biology Department at the Max Planck Institute for Biochemistry, Martinsried, Germany

Yaakov Benenson

Professor for Synthetic Biology at the ETH Zurich, Basel, Switzerland

José Luis García-López

CSIC Research Professor for Environmental Biotechnology at the Centro de Investigaciones Bioólicas, Madrid Spain

Maarten Koornneef

Director of the Plant Breeding and Genetics Department at the Max Planck Institute for Plant Breeding Research, Cologne, Germany (retired in 2016)

Anne Ridley

Professor for Cell Biology at King's College London, United Kingdom

Anna Tramontano

Professor of Biochemistry at the University of Rome "La Sapienza", Italy

Inder Verma

Professor of Genetics, Irwin and Joan Jacobs Chair in Exemplary Life Science and American Cancer Society Professor for Molecular Biology at the Salk Institute for Biological Studies, La Jolla, USA

While this report was in preparation, we mourned the loss of Dr **Anna Tramontano**. Her seminal contributions to computational biology and her generous dedication to the CNB Scientific Advisory Board will remain in our memory.

AD HOC EXTERNAL ADVISORS

Miguel López-Botet

Professor of Immunology, Head of the Immunology Division and Scientific Director of the Hospital del Mar Medical Research Institute, Barcelona, Spain

Félix Rey

Professor for Structural Virology at the Pasteur Institute, Paris, France
